Brian,

Can you just confirm for me that Hare Wynn is no longer representing Mr. [REDACTED]? I received your voice message last Friday indicating that. He's reached out to EPA, and before we respond, I want to make our staff can contact him directly.

Thank you,
Marianne

Marianne,

[REDACTED] is one of our clients and is having some independent testing done in his yard. Accordingly, he does not want any clean-up done in his yard until the testing is completed. What do you need from me to confirm this?

All the best,

Brian
